Grandparents Day

Calling all Grandma's & Grandpa's for a morning of fun! Come play outside, join us at circle time and in the classroom. This is a great opportunity for grandparents to see what we do at preschool. If a grandparent is not available, another relative may act as a substitute grandma or grandpa. After the class visit, everyone is invited to sit in on one of our Chapels.

Refer a family to register for Fall and earn a \$50 discount on your next tuition if they register!

Mission Statement & Statement of Faith

Monte Vista Presbyterian Preschool has been working on aligning with our church values and relating them to preschool. Check out our NEW Mission Statement and Statement of Faith!

Mission Statement:

Helping little hands to pray to God, love others and help their friends.

Statement of Faith:

Our program is designed to provide developmentally appropriate experiences that involve the whole child: cognitively, physically, spiritually and socially.

“Jesus grew in wisdom and in stature and in favor with God and all the people.” (Luke 2:52)

It is our desire that we teach every child at school how to grow in wisdom (cognitively), stature (physically), in favor with God (spiritually) and in favor with people (socially).

Our primary purpose is to help each child value themselves as a unique individual created by God. Then they can learn to love others and help their friends.

Through morning prayers, chapel and everyday interactions, we teach children that the Bible is true, God made us, and Jesus is God’s Son. We teach children how to talk to God and how God wants us to live. Most of all, we teach them that Jesus loves each of them so much that He came to earth to share His love with us.

Field Trip: Botanical Gardens

Join us on March 20th at 9:45 AM to Hartley Botanica Paliuli Gardens. We will have a tour of the grounds, learn some gardening skills, and have a picnic lunch in one of the wedding gardens. This is an ALL SCHOOL field trip so your family is welcome to join us even if you don't regularly attend school on this day.
